

Dear Rwanda travellers,

Welcome to Rwanda Community Based Tourism at “**Home away from Home for your holidays**” with Rwandan families.

Attractive Safaris Ltd offers you an enjoyable stay in Rwanda for a Community Based Tourism (CBT) which helps foreign visitor of Rwanda own a “Home Away from Home” during their stay in Rwanda.

Our CBT is not humanitarian based but tourism in order to:

- share with the local community its life experience,
- exchange values and create cultural bonds
- contribute to local community socio-economic empowerment

Rwanda CBT at Home Away from Home gives you a unique insight into Rwandan culture and customs through participating in, and learning about the Rwandan way of life while experiencing warm Rwandan hospitality.

Tourist, who wishes to live Rwandan life style attached on our unique culture and values may choose to stay in host family during his/her stay in Rwanda.

Local native guide who stays not far from a guest homestay will take you to the local places of interest located near a host family. And also, your local guide who speaks English or French will help in translation and facilitates you to get involved in local based activities in order to create a strong relationship with the community through visiting local cooperatives, art houses, women and youth associations and so forth.

A visitor/tourist may become a volunteer for a short while by sharing his/her skills, knowledge or may sponsor the community vibrating projects just to boost the socio-economic development activities to the beneficial level whereby local vulnerable families taste the fruits from them.

We make sure that our CBT is beneficial for the host family, community and tourists as well; and helps in creating jobs and for self sustainable economic development of the local community.

Please don't miss out! It is an exciting opportunity for cultural bond!
